

Specialized Astro Pendant

Specialized Astro Pendant

Manufactured in aluminium with anodized gold trimmings and powder coated black arms this fitting is simply fitted with G95 LED lamps in either Clear or opaque. The lamp holders are fitted to ensure a neat snug fit between the tube and the globes. The centre body is 50mm square aluminium solid whilst the arms are 12mm in diameter and of various lengths.

Elettra manufactures and finishes products on site and maintains a large range of components and manufacturing processes aligning the business to bespoke manufacture and design. We reserve the right to change or modify designs without notice.
